HEIN ONLINE'S DIGITAL SESSION LAWS COLLECTION

More than twenty-six years ago, William S. Hein & Co., Inc. introduced its **State Session Laws** microfiche program. Libraries who joined the program began saving thousands of dollars every year and valuable shelf space by replacing their hardcopy book collections.

Today, William S. Hein & Co., Inc. is doing it again! The digital Session Laws program is a great opportunity for institutions of all kinds to gain instant access to these important government documents at the click of a mouse.

Currently the collection includes:

- Session Laws of all 50 states
- Session Laws of the U.S. Federal Government
- Acts of Parliament of Canada
- Acts of Parliament of Australia
- Session Laws of Puerto Rico
- Session Laws of the Virgin Islands
- D.C. Register

New York, California, Illinois, Florida, Pennsylvania, Maryland, Massachusetts, Missouri, Montana, Nebraska, New Hampshire, New Mexico, North Dakota, Oklahoma, Texas and Ohio session laws are available from inception. This collection also features the entire back file of the Acts of Parliament of Canada and Acts of Parliament of Australia. Our goal is to take all states and jurisdictions back to inception.
